# modena

a modern office solution

The MODENA series was developed to meet the needs of a modern office organization. It is a system of carefully selected components intended to allow maximum efficiency of the office space, while maintaining a focus on the individual and their needs.

The series is designed to encourage exchange of creative ideas, communication and cooperation in the work environment, but also allow for privacy when it's needed.

The approaches which would suit both for a mobile and interactive employee and for those staff whose unctions require solitude and continuous presence at their work space.

The flexible design allows an easy reconfiguration to comply with dynamic working routines.

Waltz factory passed ISO9001 certification  
Passed CE, PSE, UL, TUV, SAA, BIFMA certification.
